HUSQVARNA SNOW BLOWERS

HUSQVARNA SNOW BLOWERS

ST 327T

Innovations that make it easy to face winter.

When faced with winter, Husqvarna snow blowers are the face of innovation. Engineered for optimal performance in any environment, they include more features, improved design and are powered by Husqvarna engines, backed by an industry leading warranty – 5 years on the engine and 5 years guaranteed to start (GS).* To find out more about our snow blowers and to find a dealer near you, visit husqvarna.ca

Single Stage 100 Series

Two Stage 200 Series

Two Stage 300 Series

Exclusive Husqvarna Engines Built to Last.

Engineered for extreme winter applications, Husqvarna engines are the new generation of power. Tested at sub-zero (<-32°C) environments, they run smoother, longer and more efficiently. Designed with convenient features, intuitive controls and quick-response safety features, Husqvarna engines blow through the toughest winter conditions.

Husqvarna Engines Feature

- 120 V Electric Starter
- Easy-to-Use Controls
- Extreme Weather Engineering
- Oversized Fuel Cap with Tether Cord
- Integrated Throttle
- Heater Box
- Convenient High-Mount Oil Fill
- Comfortable, Oversized Rubber Grip
- Safety Key Pull Switch
- Special Overfill Fuel Tank

Husqvarna 5&5 Exclusive Guarantee | 5 Year Engine Warranty | 5 Year Guaranteed to Start Warranty (GS)

If the Husqvarna GS (Guaranteed to Start) engine will not start on the first or second pull, provided the routine maintenance required in the Operator's Manual has been performed, and no fuel was left in the snow blower between seasons as noted in the Operator's Manual, then the engine is covered for 5 years and will be replaced or repaired at no cost to the consumer.

TWO STAGE 300 SERIES | HEAVY DUTY

Tackle the toughest winter conditions.

Husqvarna 300 Series snow blowers are designed for land-owners who need high-capacity, durability and maneuverability in all snow conditions. They feature hydrostatic transmission, power steering for smooth operation, heavy-duty components for maximum durability and are available in both wheeled and track drive models.

- **Power Steering**
- **Premium Control Cables**
- **Quiet Muffler**
- **Cast Iron Gearbox & Impeller**
- **Up to 3.6 Litre Fuel Capacity**
- **Wheel and Track Drive Models**

ST 327T

POWERFUL CAST IRON IMPELLER

The industry's only 4-blade impeller is a more effective solution for delivering deep and heavy snow up the chute.

DURABLE RIBBON AUGER

Improves the mix of snow and air making the snow easier to handle. Thicker steel improves stability and durability.

POWERFUL LED HEADLIGHT

The long-lasting LED headlight provides greater visibility in low light conditions and increases the safety of the operator at night.

3 YEAR LIMITED WARRANTY

10 YEAR GEARBOX WARRANTY

Husqvarna 5&5 Year Warranty:

- **5 YEARS Warranty on Engine**
- **5 YEARS Guaranteed to Start Warranty (GS)**

ADDITIONAL FEATURES:

EFFICIENT POWER STEERING

Choose drive/traction on either left or right wheel to improve maneuverability, efficiency and reduce operator fatigue.

STRONG CAST IRON GEARBOX WITH 10 YEAR WARRANTY

Improves the durability of your machine, requires less servicing and provides more stable operation in all conditions.

ADJUSTABLE SKID SHOES

Composite skid shoes provide smoother operation and reduce damage to delicate surfaces. Steel skid shoes are also included.

HUSQVARNA 300 SERIES TRACK-DRIVE MODELS

ST 327T and ST 330T.

All features mentioned are not applicable for all models.

TWO STAGE 200 SERIES | MEDIUM DUTY

Clear the way after big winter snowfalls.

Designed for homeowners who need a high-performance snow blower with the capacity to clear snow from large driveways and paths, 200 Series machines are ideal for medium duty and occasional use in all snow conditions. Improved ergonomic design, adjustable handle with heated hand grips, multi-function dashboard and adjustable skid shoes provide optimum comfort and convenience.

- **Power Steering**
- **Premium Control Cables**
- **Quiet Muffler**
- **Aluminum Gearbox**
- **Up to 3.6 Litre Fuel Capacity (ST 230P)**
- **Bolted Auger Housing**

ST 224P

IMPROVED CONTROL PANEL
Within easy reach is the variable drive speed control, chute controls and heated handle switch, all supported by our structurally reinforced loop handles.

DURABLE RIBBON AUGER
Improves the mix of snow and air making the snow easier to handle. Thicker steel improves stability and durability.

ADJUSTABLE HANDLE
The handle is height-adjustable in 3 steps, providing comfortable operation that means less strain for the operator.

3 YEAR LIMITED WARRANTY

5 YEAR GEARBOX WARRANTY

Husqvarna 5&5 Year Warranty:

- **5 YEARS Warranty on Engine**
- **5 YEARS Guaranteed to Start Warranty (GS)**

THE INDUSTRY'S FIRST ADJUSTABLE HANDLE WITH HEATED HAND GRIPS

ADDITIONAL FEATURES:

DUAL LED LIGHTS
With two high-performing LED headlights you'll be able to work more effectively in stormy weather and low light conditions.

ADJUSTABLE SKID SHOES
Composite skid shoes provide smoother operation and reduce damage to delicate surfaces.

All features mentioned are not applicable for all models.

SINGLE STAGE 100 SERIES | LIGHT DUTY

Helping you handle winter with ease.

Husqvarna's new compact and high-performing single stage snow blowers are ideal for driveways and paths. Easy maneuverability, an innovative remote chute rotator, dual LED lighting and powerful engines with electric start help you take the bite out of winter snowfalls.

- **Premium Control Cables with Silicone Liner to Prevent Freezing**
- **Powerful 208 cc Engine** (select models)
- **1.5 Litre Fuel Capacity for Longer Run Time**
- **Capable of Throwing Snow 45 Feet**

ST 131

CONVENIENT ELECTRIC STARTER

The engine can be plugged in and started by pushing a button (instead of pulling the cord) for easy starting in all weather conditions.

REMOTE CHUTE ROTATOR

The newly-designed chute rotator provides a more simplified and convenient way to control snow distribution.

ADJUSTABLE-HEIGHT HANDLE BAR

With three positions to choose from, operating the snow blower is more comfortable and storage is quick and easy.

3 YEAR LIMITED WARRANTY

Husqvarna 5&5 Year Warranty:

- **5 YEARS Warranty on Engine**
- **5 YEARS Guaranteed to Start Warranty (GS)**

ADDITIONAL FEATURES:

DUAL LED LIGHTS

With two high-performing LED headlights you'll be able to work more effectively in stormy weather and low light conditions. (ST 151 only)

FORGIVING RUBBER AUGER

Now it's possible to clear snow from delicate surfaces such as paved areas and wooden terraces without worrying about causing damage or scratches in the surface. Also, the new ground scraper is rounded for smoother operation.

All features mentioned are not applicable for all models.
